

Salvia 'Aromas'

Aromas Sage

MEDIUM SHRUB - evergreen.

3' high, 3' spread.

Leaves gray-green.

Flowers deep lavender - long-blooming, from early to late spring.

Powerful fragrance.

Horticultural selection developed partly from *Salvia clevelandii*.

Full sun to afternoon sun.

Average garden soil, but likes sand.

Water 2 - 4 /month.

Attracts hummingbirds and butterflies. Deer and rabbit resistant.
