

Salvia clevelandii 'Winifred Gilman' 'Winifred Gilman' Cleveland Sage

SHRUB - evergreen.

3' high, 3' spread. Compact upright habit.

Gray-green leaves are very aromatic.

Flowers are dark purple-blue - spring to summer.

Red flowering stems contrast blooms.

Horticultural selection.

Full sun to part shade. Frost resistant.

Sandy or rocky, but not clay soil. Good drainage.

Drought resistant but benefits from water 1 -2 x /month.

Hummingbirds, butterflies, bees and other insects collect nectar.

Other wildlife use it for cover.
