FOR IMMEDIATE RELEASE
July 27, 2020

CALIFORNIA NATIVE PLANT SALE PRE-ORDER AND PICKUP

Order online: September 1-15 at cnpsd.org/events/fallplantsale2020

Pickup: The final weekend of October at a central location in the City of San Diego

For immediate release: San Diego, CA, July 27, 2020

Order California native plants, arriving during the perfect planting season for those starting or supplementing a California native garden. There will be California native plants of just about every description from grasses to trees and shrubs, perennials to annuals, and even some succulents and ferns.

California native plants are optimal for saving water; attracting native birds, bees and butterflies; and reviving California's unique seasonal palette of color and texture at home.

This year, the sale will be by PRE-ORDER ONLY with a \$75 minimum

Order online: September 1-15 at cnpsd.org/events/fallplantsale2020 for pickup during the final weekend of October at a central location in the City of San Diego.

Credit cards and PayPal accepted online.

- **300+ different species of California native plants**
- **100+ different species of California native seeds and bulbs**
