

Arctostaphylos 'Emerald Carpet' Emerald Carpet Manzanita

LOW SHRUB, GROUND COVER - evergreen.
1' high, 4 - 6' spread. Compact.
Pale pink flowers - mid-winter to early spring.

Hybrid of *A. uva-ursi* x *A. nummularia*.

Part shade. Frost resistant.

Prefers rich, acid soil.

Needs summer water (2 - 4 x month) once established.

Good for banks, rock gardens, groundcovers.
One of the greenest, most uniform manzanitas.
Shows very good fungus and heat resistance.
