

Arctostaphylos densiflora 'Sentinel'

Sentinel Manzanita

MEDIUM SHRUB - evergreen.

6 - 8' high, to 8' wide.

Upright twisting branches.

Leaves pale green, pointed. Bark mahogany-purple.

White to pale pink flowers - early spring.

Horticultural selection from *A. densiflora* in coastal foothills of Sonoma County.

Full sun to part shade. Frost resistant.

Needs good drainage. Sensitive to overwatering.

Good for slope, screens, background and mixed plantings.

Can be pruned to reveal interesting branch structure.
