

Arctostaphylos 'Harmony'

Harmony Manzanita

SHRUB—evergreen

To 4' high. To 6' wide, upright and rounded.

Green leaves.

Red-brown bark.

Pink flowers — winter.

Slow growing.

Horticultural selection from Sonoma County.

Full sun near the coast, some shade inland.

Adapted to a wide range of soils (e.g. rocky, sandy, clay).

Frost resistant.

Works well in slope plantings.

Good accent plant.

Flowers attract hummingbirds.

Fruit enjoyed by fauna.
