

Ceanothus 'Dark Star'

Dark Star Ceanothus

MOUNDING SHRUB - evergreen.

4 - 6' high, 6 - 10' spread.

Small (1/4") rounded, dark green leaves.

Deep cobalt blue flowers. Profuse bloom in spring.

Hybrid, possibly *C. impressus* x *C. papillosus roweanus*.

Full sun. Frost resistant.

Water 1 - 2 / x month once established.

Vibrant bloom. Similar to 'Julia Phelps'.

Deerproof.
