

Ceanothus 'Heart's Desire'
Heart's Desire Ceanothus

GROUNDCOVER SUBSHRUB - evergreen.
1' high, 3 to 4' spread. Very dense growth.
Leaves shiny bronze-green.
Flowers pale blue - spring.

Horticultural selection from crossing *C. foliosus* with *C. gloriosus*
- north coast nursery.

Part shade.

Water 1 - 2 x /month after it is established.

Excellent groundcover in coastal areas, and perhaps more inland with partial shade.
