

Constancea nevinii (*Eriophyllum nevinii*) Nevin's Woolly Sunflower

PERENNIAL shrub, evergreen.
2-3' high, 1-5' spread.
Silvery blue-green leaves.
Yellow flowers in dense
clusters — April to August.

Native habitat: coastal bluffs
and cliff faces — below
150' — Channel Islands.

Full sun to part shade.
Frost sensitive.
Adaptable to most soils.
Water 2-3 / x month.

Good contrast plant.
Good as a border plant near the coast.
Attracts pollinators.
