

# *Corethrogyne filaginifolia* 'Silver Carpet'

## California Aster, Carmel Aster

PERENNIAL HERB, SUBSHRUB  
1' high, 4-6' spread.  
Silver/white leaves tapered and  
toothed.  
Flower heads lavender - summer  
to fall.

Horticultural selection. Native  
plants in coastal sage scrub, oak  
woodlands, grasslands to 3500'.  
Baja Ca. to southwest Oregon.

Full sun to part shade.  
Good drainage.  
Low water use. 1 - 2x / month.

Attractive groundcover.

Varieties can intergrade. Do not plant  
near native *Corethrogyne filaginifolia*  
species
