

Salvia 'Allen Chickering'

Allen Chickering Sage

SUBSHRUB

3' high, 4' spread. Mounding.

Gray-green foliage.

Rich lavender blue-violet flowers - spring, summer.

Hybrid: *S. clevelandii* x *S. leucophylla*.

Full sun.

Good drainage.

Needs little or no supplemental water once established.

Fragrant. Blooms over long period.

Especially good companion to penstemons.

Attracts hummingbirds and butterflies.
