

Arctostaphylos 'John Dourley' John Dourley Manzanita

LOW SHRUB, GROUNDCOVER—evergreen
1–3' high, 4–6' spread. Low, compact, mounding.
Leaves gray-green, new growth reddish.
Flowers pink—winter to spring.

(Random hybrid from RSABG.)

Full sun–part shade. Frost resistant to 15°.

Some summer water (1–2x/month, once established).

Rapid growth.
