

# *Ceanothus* 'Anchor Bay'

## Anchor Bay Ceanothus

Photographs by Margaret L. Fillius

LOW SHRUB, GROUNDCOVER. Evergreen.  
1' high, 4 to 7' spread. Usually dense growth.  
Dark green leaves.  
Lavender-blue flowers; spring

Horticultural selection from Anchor Bay, Mendocino County.

Full sun best on the coast; part shade inland.  
Not frost resistant.  
Well-drained soil.  
Water 2 to 4 x/month.

Grows well inland and in coastal areas and is popular with gardeners.
